## The Fighter Pilot

Say what you will about him: arrogant, cocky, boisterous, and a fun loving fool to boot - he has earned his place in the sun. Across the span of fifty years he has given this country some of it's proudest moments and most cherished military traditions. But fame is short-lived and little the world remembers. Almost forgotten are the 1400 fighter pilots who stood alone against the might of Hitler's Germany during the dark summer of 1940, and gave in the words of Winston Churchill, England "It's finest hour." Gone from the hardstands at Duxford, are the 51's with their checkerboard noses that terrorized the finest fighter squadrons the Luftaffe had. Dimly remembered - the Fourth Fighter Group that gave Americans some of their few proud moments in the skies over Korea. How fresh in recall are the air commandos who valiantly struck the VC with their aging "Skyraiders" in the rain and blood soaked valley called A-Shau? And how long will be remembered the "Phantoms" and "Thuds" over "Route Pack Six" and the flack filled skies over Hanoi? Barrel Roll, Steel Tiger, and Tally Ho. So here's to you my friend, and your spirit, enthusiasm, sacrifice, and courage - but most of all to your friendship. Your's is a dying breed and when you are gone - the world will be a lesser place!

Friar Tuck

*This song book is dedicated to The Fighter Pilot, to the "TACO'S" and welcomed to any aviator who has had the courage, drive and determination to strap himself to a fighter and explore beyond the boundaries of earth bound mortals below.*

*Since this book contains songs that are off color and sacred to all Fighter Jocks, it will have no meaning or social redeeming value to you "Shoe Clerks". Perfect, this book is not for you.*

- \* Stacking your dice
- \* Rolling the dice off of the table

ROLL 5 DICE

## DOLLAR BILL GAME

The hammer (holder of the bill) will ask the person to his left or right: "First two or last two." (first or last two serial numbers of the bill he is holding) This will establish the number. He will then ask the person on his opposite side to begin guessing a number between 00 and 99. The hammer will then state that the called number was high or low. This will continue until some lucky fool "shacks" the point on the bill. He buys the round. If the guessing comes back to the hammer, the hammer must select the next closest number to the point in the direction of the last call. (i.e. point 44, guess was 22 which was low, now the hammer must take 23)

## DOLLAR BILL GAME-COMBAT RULES

- \* First two or last two are determined prior to pulling out the dollar bill
- \* Hammer gets one look only and places the bill face down on the table
- \* If the hammer forgets the number - he buys
- \* If anyone asks high or low - they buy. Game goes on
- \* Hammer can lie - (A real Fighter Pilot)
- \* Guessing outside high/low bracket - you buy
- \* You may challenge - you lose, you buy - you win hammer buys double

## DECEASED INSECT

\* Just ask and Fighter Pilot. He will be more than happy  
to give you a live demonstration

## TACO TOASTS

### BURNING PILES

May the burning piles possess you  
may corns adorn your feet  
May crabs as big as horse turds  
climb upon your balls and eat  
And when your old and feeble  
and near a physical wreck  
May your head fall through your asshole  
and break your fucking neck?

### TO THE QUEEN

Here's to the hole that never heals  
the more you rub the better it feels  
There is no soap this side of Hell  
that will wash away that fishy smell  
Syphliss, Blue Balls, Crabs, and Lice  
we've had them all by Jesus Christ  
(WITH GLASSES RAISED)  
GENTLEMEN THE QUEEN!

*"99% of S.A. in knowing what's going on."  
Joe Shit The Ragman*

## TO MEG

Here's to Meg that slimy skeg  
that dirty rotten bitch  
Between her toes green fungus grows

and die of drizzly shits

## HERE'S TO THE GIRL I LOVE

Here's to the girl that I love the best  
I'd fuck her east, I'd fuck her west  
I'd fuck her standing, sitting, lying  
If she had wings, I'd fuck her flying  
And when she is dead but not forgotten  
I'll dig her up and fuck her rotten

## FIGHTER PILOT'S TOAST

Here's to me in my somber mood,  
When I ramble sit and think,  
Here's to me in my drunken mood,

And from this world I pass,  
I hope they bury me up side down,  
So the whole damn world can kiss my ass!

## **I LOVE MY WIFE**

I love my wife, yes I do, yes I do, I love her truly  
I love the hole that she pisses through

With a rusty spoon, With a rusty spoon

## **THE BALLS OF O'LEARY**

### MIDNIGHT IN ALBUQUERQUE

It was midnight in Albuquerque, all the pilots were in bed  
When up stepped Col.\_\_\_\_, and this is what he said:  
Pilots, gentle pilots, pilots one and all  
Sabres, Super Sabres, and the pilots shouted BALLS!  
Then up stepped a young lieutenant  
With a voice a harsh as brass,  
"You can take those Super Sabres Jack and shove them  
up your ass!"

#### CHORUS

Oh, Halleluia, oh, halleluia, Throw a nickle on the grass  
Save a fighter pilots ass.  
Oh, Halleluia, oh, halleluia, Throw a nickle on the grass  
Save a figher pilots ass.

### THE HARD AND FAST RULES OF DACT

\*There is no need to check six since we have no ordnance  
that fires in that direction.

\* No matter how cosmic you are, a lower wing loaded  
airplane will always give you a square corner.

\* Excess energy is undesireable because you have to  
figure out something to do with it.

\* PDCS weak dicks or Twin Tail Butt Pirates can loose the  
fight but win at the chalk board or have an excuse that will  
make your dick hard.

### O'LEARY'S BAR

It was a cold winter's evening, the guests were all leaving  
O'Leary was closing the bar  
When he turned and he said to the lady in red  
Get out! You can't stay where you are

She wept a sad tear in her bucket of beer  
As she thought of the cold night ahead  
When a genrleman dapper stepped out of the crapper  
And these are the words that he said

Her mother never told her  
The things that a young girl should know  
About the ways of Air Guard Pilots  
And how they come and go, mostly come

Now age has taken her beauty away  
And sin has left its sad scar (what a gash)  
So remember your mothers and sisters, boys  
And let them sleep under the bar  
(Without her pants on)

## FRIAR OF GREAT RENOWN

There was a friar of great renown,  
There was a friar of great renown,  
There was a friar of great renown,  
Until he fucked a gril from out of town.

CHORUS

Ha, ha, ha, Ho, ho, ho, Horseshit!  
That dirty old son-of-a-bitch.  
That rotten old cocksucker.  
Aw FUCK HIM!

He laid her on the downy bed (X3)  
And, then, he busted up her maidenhead (X3)

CHORUS

He laid her on the dewy grass (X3)  
And, then, he shoved his pecker up her ass (x3)

CHORUS

He laid her up against a stump (X3)  
And, then, he missed her ass and hit the stump (X3)

CHORUS

They laid her in the cold, cold ground (X3)  
And, then, he fucked her on the way down (X3)

CHORUS

"I'd rather have a sister in a whorehouse, than a brother who  
is an Eagle Driver" Unknown

## ADELINE SCHMIDT

There once was a maiden named Adeline Schmidt  
She went to the Doctor, cause she couldn't shit  
He gave her some medicine all wrapped up in glass  
Up went the window and out went her ass

(CHORUS)

A handsome young copper was walking his beat  
He happened to be on that side of the street  
He looked up so handsome, he looked up so shy  
And a great piece of shit hit him right in the eye

(CHORUS)

That handsome young copper, he cursed and he swore  
He called that fair maiden a dirty old whore  
And 'neath London Bridge you can still see him sit  
With a sign round his neck saying blinded by shit

It was brown, brown, shit all around  
It was brown, brown, shit all around  
It was brown, brown, shit all around  
The whole world was covered with  
SHIT, SHIT, SHIT, SHIT

He made a rocket pass, and then he busted his ass,

It was a truck on the road, with a big heavy load,

He got right on the horn, and gave ole DASC a call,  
"Send me air, I've got a truck that's stalled"  
The DASC said, "That's all right, I'll send you Litter flight"  
**FOR I AM THE POWER!**  
The fighters checked right in, GUNFIGHTERS two by two,  
low on gas, and a tanker overdue  
They asked the FAC to mark just where the truck was parked  
MMM, MNMM, MMM  
The FAC rolled right in, with his smoke to mark  
exactly where that truck was parked  
And the rest is still in doubt, cause he never pulled out

I knew right away she was dead  
The skin was all gone from her tummy  
The hair was all gone from her head

And as I lay down there beside her  
I knew right away that I had sinned  
So I pressed my lips to her sweet pussy  
And sucked out the wad I'd shot in

There once was a man condemned to die  
I know not where, I know not why  
But he had a wife with a cunt so wide  
That she could not be satisfied

So he built him a wheel, a big fucking wheel  
And on it he mounted a big prick of steel  
Two balls of brass, that he filled with cream  
And the whole goddam issue was powered by steam

### **CHORUS**

Around and around went the big fucking wheel  
In and out went the big prick of steel  
In and out until she cried: Enough, Enough, I'm Satisfied!

There was just one thing wrong with it  
There was no way of stopping it  
And split hiw wife from her cunt to her tits

## ATOMIC POWER

There will be a great day a coming  
for the foes of all mankind

and it's troubling their minds  
Everyone who must fear them will

When the powers of dictatorship  
have faded all away
